REMARKS/ARGUMENTS

Applicant has effected this amendment to correct an error discovered in the title as provided on the Notice of Allowance mailed May 24, 2007. It is intended that the title of the invention conform to what is presented on page 1 of the specification.

Applicant submits that by this amendment no new subject matter has been added.

The Examiner is therefore respectfully requested to enter this Amendment immediately and to forward the application to processing for issue.

Respectfully submitted,
Nortel Networks Limited
